Company Overview

Logicrack Infosystem Pvt. Ltd. **(previously known as Fourfusion Technologies)** is a software technology consultancy firm based in Salt Lake Sector V, Kolkata. We develop web and mobile applications using latest technologies. We have highly skilled technical persons in our team to provide superior value for our clients by delivering high quality work designed to enhance Return on Investment to our clients.

The company was founded by a team of enthusiastic, dynamic and experienced IT engineers (*Ex-IBM'ers*) who wanted to overcome the routine and create a company that would act in the market not only for business success but for the sake of Technology itself. Thus, the mission of the company is defined to contribute to forward-looking transformation of the society through software implementation.

We provide the best possible high end solution at a competitive price. With a talented and dedicated pool of professionals we deliver quality products at a much leaner and smarter time frame. Our IT services and outsourcing bring our customer a level of certainty that no other competitor can match.
